LAWRENCE, DAVID

Next—equality of incomes? Judge J Skelly Wright ordered abolition of "econ" as well as "racial" discrimination in D C schools; there apparently are arising in U S activists who believe Govt or cts can invoke ban against discrimination as means of removing every kind of "inequality," even in brain or earning power, J1 3 p 96

World of reason? something truly momentous occurred at confs held by Pres Johnson, Premier Kosygin—heads of state made dedicated effort to develop consensus toward equitable settlement of disputes; in nuclear age, realism commands Soviet Union, U S to join together to create world of reason, J1 10 p 84

Overlooking obvious; most obvious fact about Govt of U S is its unprecedented expansion; exec branch has grown so large its efficiency is today open to serious question; Pres Council of at least 20 outstanding persons is necessary, with Gen Mgrs appointed to run each dept, J1 17 p 96

More of obvious; in editorial last week, attention was directed to weakness of exec structure in fed Govt, need for Pres Council; Com on Econ Development report points out even more defects in govtal systems of States, J1 24 p 100

Permissive anarchy; reprint of April 27, 1964 editorial; are Amer people to be subjected to constant threats to disrupt RR traffic or can some force more powerful than either union or RR cos be invoked to protect public interest? Govt must provide answer before chaotic strike that would be equivalent to permissive anarchy, J1 31 p 92

Billy Graham's plea to Pres Johnson; text of David Lawrence newspaper dispatch written one yr ago calls attention to remarks made by Dr Billy Graham, who perceived even then pattern of subversion which has stimulated recent disorders in Amer cities, Ag 7 p 92

Our disordered society; we have been talking in recent yrs in optimistic terms about "Great Society," but now we realize that we have disordered society; every radio, TV station, every newspaper, other means of communication should be used to transmit warning that law must be obeyed, Ag 14 p 88

What people want; Amer people dissatisfied today about many of things Govt is doing or failing to do; people want peaceful society, decent society, society in which fair deal for everybody transcends political deals in use of govtal power, Ag 21 p 100

Riots, mob spirit—Amer's greatest danger; excerpts from speech delivered by Abraham Lincoln when he was 28 yrs old; disregard of law, danger in mob violence described nearly 130 yrs ago strangely parallel to what is happening in our times, Ag 28 p 92, 91

Discrimination in reverse? newspaper dispatches have pointed out that Thurgood Marshall is first Negro to be nominated to Supreme Ct; what has race or religion, however, to do with qualifications of Justice; nomination based on race or religion is truly "discrimination in reverse", S 4 p 88

LAWRENCE, DAVID—Contd.

Valor of truth; reprint of April 9, 1943, editorial; notable example of impact of Christianity on Chinese mind is found in "Confession of Faith" written by Madame Chiang Kai-shek during W W II, S 11 p 108

Will Amer people "stay awake"? today it is feared Amer may be "sleeping" while menace of two nations—Red China, Soviet Union, both nuclear equipped—grows in intensity; Amer people have not yet been aroused to dangers of Communist conspiracy in nearly every part of globe, S 18 p 120

Happiness; reprint of July 8, 1963 editorial; as incentive of individualism is gradually destroyed, free enterprise is abolished; this is not road to happiness, but to same disaster that befell nations in past centuries; free men of intelligence will rise to quell intolerance, tyrannies of majorities or minorities, S 25 p 128

Internatl suicide? official comparison of nuclear strength of U S, Soviet Union, just revealed by Sec of Defense, tells us war would be suicide for both sides; peoples can, must place firm hand on their govts so possibility of thermonuclear holocaust will be removed, O 2 p 116

Road to third world war; many signs are appearing on internatl horizon which are reminiscent of what happened before outbreak of W W II; way to prevent third world war is to stand firmly for principles we have sought to defend in Vietnam, appeasement never pays, O 9 p 120

Uncovering enemy; important step Sen Foreign Relations Com could take to advance cause of U S before world is to conduct comprehensive investigation, disclose full story of subversion, infiltration being carried on by Moscow, Peking on all continents, O 16 p 100

"There ought never to be another pres nominating convention"; in 1912, Dem Natl Convention inserted plank in its platform advocating Const amdt limiting pres tenure to single six-yr term; excerpts from letter by Pres-elect Wilson giving his views on subject, O 23 p 124

Rectifying error of 100 yrs ago; reprint of September 27, 1957, editorial; 14th Amdt never legally ratified; record of history is that Southern States were coerced into "ratifying" amdt rejected under normal processes of civil law; not too late to correct injustice, O 30 p 100, 99

"Econ crisis, please go away!" we are facing serious econ crisis in Amer; politicians have been behaving as if they thought that, by some magic device, inflation could be readily overcome, but econ crisis will not go away unless something is done by fed Govt to curb spending, N 6 p 124

Appeasement never pays; U S could withdraw its forces from Vietnam, satisfy shortsighted persons who are considering only convenience of moment, not long-range peril; quotations from book by Winston Churchill tell us what appeasement has meant in bringing on war, N 13 p 116

New "revolution"? voters have just indicated at ballot box that, unless there is change by Admin—from sporadic reprimands to decisive action with respect to domestic disorders—n e w "revolution" will occur yr hence on Election Day, N 20 p 120

Public TV now—"public" newspapers later? Cong has just approved appropriation of $9 million to put into operation what is being referred to as "public broadcasting"; shall we see Cong appropriating money for "public" daily newspapers which cannot get enough advertising to subsist, N 27 p 116

It's time for courageous leadership; it's time to use police power of nation to enforce laws of land, to stop passing buck between fed, State govts, to put end to riots, "demonstrations", violence which are plunging us into anarchy, D 4 p 112

Maker of foreign policy—Cong or Pres? Const doesn't define explicitly interrelationship of Pres, Cong in conduct of foreign policy; some day Amer system must be revised to make Cong, Pres jtly responsible to people for natl, internatl policies, D 11 p 136, 135

Wage, price controls? if there were some way to put into effect self-control in political operation of Govt, maybe such restraints as wage, price laws could really be effective in curbing inflation, stabilizing econ, D 18 p 112
